Coding Classes

Benevolent Global Public School conducts coding classes for the students from Class I. The aim and objective of this endeavor is to build adequate knowledge in terms of problem solving, understanding of computing fundamentals, software development environment, tools and technologies for App Development.

Our students are exposed to work on the programming tools for App development so that when the join higher classes they should remain ahead of their peer group.

We believe that by 2030 the world of computing will get more advanced and more sophisticated. There will be a paradigm shift and thing will be done in a different way. Our students need to look at the things from a different perspective. There will be huge opportunities for the new startups involving Artificial Intelligence and Machine Learning. There will be plenty of employment opportunities in the field of robotics and artificial intelligence.

In the time to come there will be too many sensors, too many contactless operations and we will find too many wireless signals in our surrounding. Our believe is that students should learn these things from early life otherwise they will lag behind in their life.

We have a talented pool of trained teachers (B.Ed, DI.Ed) who use innovative ways to teach and explain the subject matters to the students. Our teachers provide personal attention to every child and simultaneously take extra care of the weakest student. Our teachers have been trained to use the latest technologies, audio visual aids to make the subject more attractive and coherent

OUR Culture

BGPS is an assortment of skilled people from various part of India as well as expats for rendering quality education with educational excellence. At BGPS we believe that children can be educated well when taught with example of moral values and standards. The early they imbibe the moral values they turn into responsible citizens. We also believe that children should not be laden with plenty of books and plethora of homework but must have something to do at home. The learning can be achieved by scientifically proven tricks and techniques applied in tandem with fun at school. We believe in teaching each and every word from the book. We have introduced Happy Curriculum in our System to unburden our students from the load of books and learn life skills.

DELINQUENCY?

BGPS maintains a Delinquency Management System. Students know it by name of DFR. Any act / behavior of student that is considered worth tracking is tracked in our system and an alert is sent to the parents by SMS. For example your child is not doing homework then it is duty of the School to let the parents know the same. Parents are expected to give attention to such messages.

TECHNOLOGY As BACKBONE

BGPS is technology centric School. We strongly rely and thrive on Technology. Parents and Students will have to adjust themselves with the environment of the School. For example we have no attendance system in class. Student shows his/her ID card on the RFID panel at the entry gate of the School and attendance is made. A SMS will be immediately triggered to the authorized mobile. As soon as you deposit fee you receive a SMS. Your due will be communicated to you by SMS. Our Home Work gets published on <http://bgps.in> within 15 to 30 minutes of closure of the School. Students will have to give online examinations on regular interval. Parents willing to get their children admitted in BGPS must provide computer, tab or smart phone to their ward on time to complete online assignments.

Benevolent Global Public School is one of the Best School in Saharsa. We are the only school in Saharsa, Bihar imparting coding classes from class I to VIII. Our students become junior developer by the time they pass class VIII

Co-Scholastic Activities

BGPS arranges for different varieties of co-scholastic activities. These include quiz, sports, sewing & knitting, indoor and outdoor games, elocution competition, extempore lectures, dance, drama, debate competition, paintings etc. BGPS recognizes the importance of building a strong body, intelligent mind and spirit. In assembly, students are exposed to physical exercise followed by Quiz, Thought of the Day and News. In order to eliminate fear of public speaking each and every student gets chance to come to the stage and host the assembly in turn.

Assessment

Subjective

Objective

Behavioral

Assessment in BGPS is done as prescribed by CBSE. There will be two Periodic Tests called PT1 and PT2 and two Terminal Exams. There will be Monthly Tests to ensure continuity of study by Students. Periodic Tests and Terminal Examinations will have 5 set of Questions. If a student fails in class then, he/she can give improvement exam. Only after clearing improvement exam he/ she can get promotion to next class. Please note BGPS never commits any double promotion or class jump. No such request will be entertained.

Home work will not be given in School Diary. Parents will be required to view what is taught in the class and what has been given as home work in the Edumitra App on daily basis.

Parents can have complete transparency in terms of knowing the syllabus coverage and homework given during the session. Parents will have to provide android phone to their wards to see the class work and home work on regular basis. At the same time they will have complete information as to what has been taught in the school.

Exam Pattern Changes

As you are aware that these days most of the examinations are being taken in computer centers. Multiple Choice Questions (MCQ) have become standard for any Competitive Examination. MCQs are evaluated quickly by computers and give you quick result. From Year 2020 onwards Students will be required to appear in Online Examinations as advised by School Management at highly affordable cost.

HOSTEL

Hostel facility is available for the boys coming from remote areas. Hostels are supervised by wardens. Neat and clean environment and hygienic food is served by school. BGPS provides additional tuition facility for the hostel students after class hours. Parents should contact BGPS office for the fee details.

*** Note: Currently BGPS has hostel for boys only.**

We provide hygienic environment, healthy food to the students with a good combination of Veg and Non Veg to cover the nutritional requirements of the students.

Parents are required to maintain extra money wallet to address pocket money, small expenses that a student might need to do and medicine.

We provide extra tuition to the students for clearing their doubts (if any during class) and helping them do their homework.

In order to have better communication with Parents, BGPS conducts Parent Teacher Meeting (PTM) at several occasions in a year. Please be advised that it is responsibility of the parents (both father and mother) to attend PTM and discuss performance of their child. This is important to understand that it is joint responsibility of School and Parents to groom a child and build his/ her career. We understand that Parents are very busy and fail to attend PTM on given date. In case you want some convenient time as per your suitability BGPS is open for that. We are just a phone call away. Don't hesitate to call us for the same.

Please contact front office.

School Transport:

School buses and vans are used to carry students from various parts of the city. Please get in touch with front office to check availability of school transport in your respective area. It is very important for the parents to understand that despite our sincere effort, school faces big challenges in maintaining the timing of the buses and vans. Vehicle may get delayed due to bad traffic condition of the city. If you are too particular about the punctuality of the vehicles then it is advisable to manage your own transport. 21. Playing in the campus without permission will attract punishment or ticket therefore; students will have to be have accordingly.

Complain Management

Benevolent Global Public School has well designed complain management system. In case parents need to raise any complain they will be required to use our app to raise the complain. Our App can be downloaded from Google play store.

All the complains raised through the App are tracked by the management closely until resolved.

However, you can raise the Complain in writing as well and submit to our front office representative.

We encourage you to send us your feedback / complain in written form or submitted through the App for getting it resolved properly.
