

BENEVOLENT GLOBAL PUBLIC SCHOOL, SAHARSA

CLASS III – SUMMER HOLIDAY ASSIGNMENT 2026

होलीडे होमवर्क 10 दिनों के लिए दिया जा रहा है – अपनी छुट्टियों में से 10 दिन निकाल कर इसे पूरा करें।

आपको एक क्लियर फाइल में अपना असाइनमेंट जमा करना है – जिसमें रोज के ऑब्जरवेशन को इंग्लिश में ऑब्जरवेशन शीट में लिखना है।

जैसे आपको अगर किसी पेड़ (Tree) को ऑब्जरव करके लिखना है तो आप कुछ ऐसा लिख सकते हैं –

There is a mango tree near my house. It is tall and green.
(मेरे घर के पास एक आम का पेड़ है। यह लंबा और हरे रंग का है।)

The tree has many branches and small mangoes on it.
(पेड़ में कई शाखाएँ हैं और उस पर छोटे आम लगे हुए हैं।)

Birds sit on the tree and make nests.
(पक्षी पेड़ पर बैठते हैं और घोंसले बनाते हैं।)

हर दिन के ऑब्जरवेशन को डेट डाल कर लिखना है।

असाइनमेंट में कुछ थिंकिंग वाले सवाल दिए गए हैं – जिन्हें सोच कर इंग्लिश में लिखना है।

जैसे अगर यह सवाल हो:

Why should we plant more trees?
(हमें अधिक पेड़ क्यों लगाने चाहिए?)

तो इसका उत्तर कुछ ऐसा हो सकता है –

1. Trees give us oxygen.
2. Trees make the environment cool and clean.
3. Birds and animals get shelter from trees.

आपको कुछ ड्राइंग बनानी होगी या कुछ चीजें पेपर पर पेस्ट करके बनानी होंगी। उन्हें भी क्लियर फाइल में डालकर जमा करना होगा।

आपको एक मैथ का असाइनमेंट भी मिलेगा जो रोजमर्रा की जिंदगी पर आधारित होगा। उसे भी अलग शीट पर सबमिट करना होगा।

❖ DAY 1 – My Surroundings Explorer

Tasks

- Observe your neighbourhood and write about it.
- Count parks, shops, trees, and roads nearby.
- Draw a neat map of your locality.

Thinking Question

“Why should we keep our surroundings clean?”

❖ DAY 2 – Plant & Soil Investigation

Tasks

- Collect different types of leaves and compare shapes.
- Observe soil from two places and compare colour and texture.
- Plant a seed and observe changes for 3 days.

Thinking Question

“How do plants help humans and animals?”

❖ DAY 3 – Healthy Living Challenge

Tasks

- Prepare a healthy food timetable for one day.
- Observe and write your daily habits.
- Make a chart showing good and bad habits.

Thinking Question

“What can happen if we eat unhealthy food every day?”

❖ DAY 4 – Water, Air & Weather Study

Tasks

- Observe weather changes during the day.
- List activities where water is used at home and school.
- Perform evaporation activity by drying wet cloth in sunlight.

Thinking Question

“Why are clean air and water important for life?”

❖ DAY 5 – Animal & Bird Research

Tasks

- Observe birds, insects, or animals around you.
- Write 5 interesting facts about your favourite animal.
- Find out what different animals eat.

Thinking Question

“How do animals survive in forests?”

❖ DAY 6 – Time, Shadow & Daily Routine

Tasks

- Observe shadow lengths in morning, noon, and evening.
- Prepare your daily routine chart.
- Find out how people managed time before clocks were invented.

Thinking Question

“Why should we follow a timetable?”

❖ DAY 7 – Market Survey & Money Use

Tasks

- Visit a market with parents.
- Compare prices of 10 items.
- Observe how shopkeepers arrange goods.

Thinking Question

“Why is saving money important?”

❖ DAY 8 – Transport, Safety & Communication

Tasks

- Make a list of different means of transport.
- Draw and explain 5 traffic symbols.
- Find out different ways people communicate today.

Thinking Question

“What problems can happen without transport and communication?”

❖ DAY 9 – Sky, Space & Science Observation

Tasks

- Observe moon shape for two nights.
- Draw solar system with names of planets.
- Find out one interesting fact about the Sun, Moon, and Earth.

Thinking Question

“Why do day and night occur?”

❖ DAY 10 – My Holiday Discoveries

Tasks

Write or draw:

- “What was my best learning experience?”
- “What new skill did I learn?”
- Make one “My Summer Holiday Memory Page.”

Thinking Question

“How does learning help us in future?”

Maths Assignment Question

You have been given ₹5,00,000 and asked to spend all the money within one month on different things such as education, food, clothes, travel, electronics, books, entertainment, charity, medical help, and home decoration.

Prepare a monthly expense chart showing how you will spend the entire ₹5,00,000.

No money is to be saved.

(₹5 लाख पूरा खर्च हो जाना चाहिए – बचना नहीं चाहिए)

Also calculate:

1. Total amount spent
2. Amount spent on each category
3. Which category had the highest expense
4. Which category had the lowest expense
5. Why proper money management is important
6. Which expenses were necessary and which were luxury expenses

Make the chart neat and colorful.

Speaking Activity (Daily Basis)

“Ask Why” (Make a WHY Sheet)

✓ Every day child writes ONE “WHY” question.

Examples:

- Why do seasons change?
- Why do birds migrate?
- Why do we need exercise?
- Why does rain fall from clouds?

❖ Child speaks for 1–2 minutes on:

1. Myself (Self Introduction)
2. My Favourite Book
3. My Favourite Festival
4. My Aim in Life
5. My Holiday Learning

❖ Final Output / Submission

Submit one project file (clear file) containing:

1. Drawings
2. Collected items
3. Observation sheets
4. Collection sheets
5. Activity charts
6. Photographs (optional)
