

BENEVOLENT GLOBAL PUBLIC SCHOOL, SAHARSA

CLASS VII – SUMMER HOLIDAY ASSIGNMENT 2026

होलीडे होमवर्क 10 दिनों के लिए दिया जा रहा है – अपनी छुट्टियों में से 10 दिन निकाल कर इसे पूरा करें।

आपको एक क्लियर फाइल में अपना असाइनमेंट जमा करना है – जिसमें रोज के ऑब्जरवेशन को इंग्लिश में ऑब्जरवेशन शीट में लिखना है।

जैसे आपको अगर किसी छोटे व्यवसाय (Small Business) को ऑब्जरव करके लिखना है तो आप कुछ ऐसा लिख सकते हैं –

I visited a grocery shop in my locality. The shopkeeper had arranged all items properly on shelves.

(मैंने अपने इलाके की एक किराना दुकान देखी। दुकानदार ने सभी सामान को सही तरीके से रैक पर सजाया था।)

Customers were buying daily-use products and making digital payments.

(ग्राहक रोजमर्रा की चीजें खरीद रहे थे और डिजिटल पेमेंट कर रहे थे।)

I observed that proper planning and management are important for running a successful business.

(मैंने देखा कि सफल व्यवसाय चलाने के लिए सही योजना और प्रबंधन जरूरी है।)

हर दिन के ऑब्जरवेशन को डेट डाल कर लिखना है।

असाइनमेंट में कुछ थिंकिंग वाले सवाल दिए गए हैं – जिन्हें सोच कर इंग्लिश में लिखना है।

जैसे अगर यह सवाल हो:

Why is planning important in business and life?

(जीवन और व्यवसाय में योजना बनाना क्यों जरूरी है?)

तो इसका उत्तर कुछ ऐसा हो सकता है –

1. Planning helps in proper use of money and time.
2. It reduces confusion and future problems.
3. Good planning increases chances of success.

आपको चार्ट, ड्राइंग, रिसर्च पेज, ग्राफ, या मॉडल भी बनाने होंगे। उन्हें भी क्लियर फाइल में डालकर जमा करना होगा।

आपको एक बिजनेस और फाइनेंशियल प्लानिंग असाइनमेंट भी मिलेगा जो वास्तविक जीवन पर आधारित होगा। उसे भी अलग शीट पर सबमिट करना होगा।

➤ DAY 1 – Society, Administration & Public Systems

Tasks

- Observe important public institutions around your locality.
- Find out functions of municipality, police station, bank, court, and railway station.
- Prepare a labelled civic services chart.
- Write how administration affects daily life.

Thinking Question

“Why is an organized administrative system necessary for a country?”

➤ DAY 2 – Agriculture, Economy & Sustainable Development

Tasks

- Research major agricultural products of Bihar and India.
- Compare traditional and modern farming methods.
- Observe irrigation systems used nearby.
- Write effects of excessive use of chemicals on environment.

Thinking Question

“How can economic growth happen without harming nature?”

➤ DAY 3 – Human Health, Lifestyle & Fitness

Tasks

- Prepare a healthy weekly meal and exercise chart.
- Observe effects of screen time on daily routine.
- Research one lifestyle disease such as obesity, diabetes, etc.
- Write ways to maintain mental and physical health.

Thinking Question

“Why is a balanced lifestyle important in modern life?”

➤ DAY 4 – Climate Change, Water & Energy Conservation

Tasks

- Observe weather changes for 5 days and make a report.
- Find out local causes of pollution.
- Write methods to conserve electricity and water.
- Prepare a poster on climate awareness.

Thinking Question

“What may happen if climate change continues rapidly?”

➤ DAY 5 – Ecosystem, Wildlife & Biodiversity

Tasks

- Observe birds, insects, or animals around your surroundings.
- Prepare a food web diagram.
- Research one endangered species found in India.
- Write importance of biodiversity in maintaining ecological balance.

Thinking Question

“What would happen if one species suddenly disappeared from ecosystem?”

➤ DAY 6 – Ancient Civilizations, Science & Inventions

Tasks

- Research one ancient civilization and its achievements.
- Find out how ancient people measured time and direction.
- Write about one scientific invention that changed the world.
- Prepare a timeline chart of important inventions.

Thinking Question

“How do scientific discoveries transform civilizations?”

➤ **DAY 7 – Business Budget & Entrepreneurship**

Tasks

- Observe a nearby business or shop.
- Discuss with elders about business expenses and profits.
- Prepare a grocery shop business budget.
- Differentiate between investment, profit, loss, and savings.

Thinking Question

“Why is financial planning important in business?”

➤ **DAY 8 – Technology, Communication & Cyber Awareness**

Tasks

- Compare traditional and digital communication systems.
- Observe use of internet in education and business.
- Write advantages and disadvantages of artificial intelligence and social media.
- Prepare a cyber safety awareness chart.

Thinking Question

“How is technology changing human thinking and behaviour?”

DAY 9 – Space Science, Astronomy & Exploration

Tasks

- Draw and label the solar system.
- Research ISRO missions or satellites.
- Observe moon phases for three nights.
- Write interesting facts about black holes, galaxies, or planets.

Thinking Question

“Why is space exploration important for humanity?”

➤ DAY 10 – Reflection, Creativity & Goal Setting

Tasks

Write or draw:

- “What was my most valuable learning during holidays?”
- “Which activity improved my knowledge and creativity?”
- “What new skill or habit did I develop?”
- Make one “My Summer Learning Achievement Page.”

Thinking Question

“How can continuous learning shape our future?”

Business Budget Assignment

You have ₹5,00,000 to start a grocery shop. Prepare a proper business budget showing how the money will be used to set up and run the shop.

Instructions

Divide ₹5,00,000 into different categories such as:

- Shop rent
- Furniture and shelves
- Grocery items and stock
- Refrigerator/freezer
- Electricity and water connection
- Staff salary
- Transportation
- Advertising and signboard
- Digital payment setup
- CCTV and security
- Emergency savings

Also calculate:

1. Total amount invested
2. Amount spent on each category
3. Which category had the highest expense
4. Which category had the lowest expense
5. How much money was kept for emergency use
6. Which expenses were necessary and which were optional
7. Expected monthly profit from the business
8. Why business planning is important before starting a business

Make the chart neat and colorful.

Speaking Activity (Daily Basis)

“Ask Why” (Make a WHY Sheet)

Every day child writes ONE “WHY” question.

Examples:

- Why do economies rise and fall?
- Why is artificial intelligence becoming powerful?
- Why should natural resources be conserved?
- Why do civilizations become advanced over time?

Child speaks for 3–4 minutes on:

1. Myself (Self Introduction)
2. My Favourite Entrepreneur or Scientist
3. Importance of Environmental Protection
4. Impact of Technology on Society
5. My Holiday Learning

Final Output / Submission

Submit one project file (clear file) containing:

1. Observation sheets
2. Activity charts
3. Research pages
4. Budget assignment sheets
5. Drawings and posters
6. Creative writing pages
7. Graphs or diagrams
8. Photographs (optional)
